Ref: Mitsubishi Materials, Japan data falsification scandal

Dear Valued IXYS Distributor/Customer,

This letter is In reference to the recent revelation that Mitsubishi Materials, Japan admitted to improper conduct (falsifying material certifications) for various products such as rubber seals, wire and parts made from copper and brass materials. This incident was first reported publically on November 23, 2017.

IXYS investigated the possible use of Mitsubishi material /parts with our assembly subcontractors. It has been determined that no Mitsubishi materials/parts are used in IXYS product.

Sincerely,

A handwritten signature in black ink that reads "Gordon Rosete".
